EPIC The Irish Emigration Museum

EPIC tells the moving and unforgettable stories of those who left the island of Ireland, and how they influenced and shaped the world.

You won't find leprechauns or pots of gold at EPIC, but you'll discover that what it means to be Irish expands far beyond the borders of Ireland through the stories of Irish emigrants who became scientists, politicians, poets, artists and even outlaws all over the world.

Discover Ireland from the outside in and find out why saying "I'm Irish" is one of the biggest conversation starters, no matter where you are.
